## MOMMY & ME GO TO CAMP

Instructor: MJ Hartell

Pack your imagination and head to camp with mom where we will enjoy an extended version of Miss M.J.'s popular "Mommy & Me Multi-Arts". We will create special art projects together, explore some neat things together, and then journey into the dance studio for some action-packed fun. We'll dance, sing, play instruments, dress up, read a story, take our puppets on a magical journey - and celebrate the beginning of summer. With all that activity, we'll need to take a break and refuel. During each class, we'll take time for a snack and drink. (Please let us know about any dietary restrictions at the time of registration.)

## STORYBOOK THEATER ADVENTURE

Instructor: MJ Hartell

The magic of summer is the perfect time for a child's imagination to run free. Come step into a storybook with Miss M.J. and then out onto the stage for several magical performances during our camp time. We will create a costume piece and a prop or set decoration for at least two different stories. Each day, we will spend part of the class letting our creativity soar in the art project. Then we will head into the dance studio to read the story, learn about being an actor and practice our performances. The actors will warm-up with musical/dance activities that focus on tuning our listening ears because a good actor needs to be a good listener. They'll also enjoy theater games, such as Miss M.J.'s magic bag, where we choose an item and then pretend to be it. Plus we'll learn theater basics, such as stage directions and lingo (what's a prop, what does cheating out to the audience mean?). During each class, we'll take time for a snack and drink. (Please let us know about any dietary restrictions at the time of registration.) Family and friends are welcome to attend our no-pressure, just-for-fun performances.

## GET READY & GET GOIN' PRESCHOOL CAMP

Instructor: MJ Hartell

If your child is gearing up for preschool for the first time in the fall, or will be returning to preschool, this is the class to help with the transition. Parent participation is optional and flexible so that the experience is non-stressful for the camper. You may participate with your child or not, or participate in the opening activity and then let your camper fly solo in the dance studio. We do ask, however, that the parent remain in the building (exceptions are for three year olds who have experienced successful independence). Each day we will start out in the theater area where we will sing hello, and complete a very simple art project. Then we will head into the dance studio for music, dancing, instruments and creative movement. We will also read a story and may dress-up, and play with scarves or puppets. The focus is to get our campers using their imaginations and to be comfortable in a group setting, while beginning a lifelong love of the arts and learning. With all the activity, we'll need to take a break and refuel. During each class, we'll take time for a snack and drink. (Please let us know about any dietary restrictions at the time of registration.)

## MAGICAL MUSICAL ARTVENTURE

Instructor: MJ Hartell

A wonderful trip through the arts awaits your child this summer with Miss M.J., our popular young child instructor. We've combined everything children love - crafts, singing, games, instruments, story time and make believe in this creative camp. We'll make an instrument - and other surprises - make music, and most of all, make good use of our imaginations. Each day, we will spend part of the class letting our creativity soar in the art project. Then we will head into the dance studio to explore musical concepts (like fast & slow tempos, steady beat, stop & go, loud and soft, crescendos, etc.) and read a story. The singers will warm-up their voices and bodies with musical/dance activities that focus on tuning our listening ears. They'll also enjoy musical games and learn to sing properly. During each class, we'll take time for a snack and drink. (Please let us know about any dietary restrictions at the time of registration.) On the last day of camp, we'll go onstage to perform some of what we have learned for our families and friends.
